

Community Action Partnership of Riverside County 2009 Summer Crisis Response

Cool Centers

**Do you want to escape the heat?
A Cool Center is where you can go!**

Community Action Partnership of Riverside County is coordinating Cool Centers to provide drop-in sites for vulnerable individuals, seniors, the disabled, and others in need of temporary relief from the heat. Cool Centers will open to the public, in affected areas, when the Riverside County Department of Public Health issues a "Heat Warning". Watch or listen for the "Heat Warning" on your television, radio, and local newspaper.

Keep Cool! Protect Your Health When It's Hot!

You are also at risk if you have certain medical conditions, take medication for high blood pressure, have a mental health condition, have been using drugs or alcohol, or have had a previous heat-related illness.
